### PURPOSE AND USE OF THIS APPLICATION INFORMATION

Thank you for your interest in working as a volunteer with CASA (Court Appointed Special Advocates) of Kent County. In every role, volunteers function under the same expectations as paid staff in terms of work attendance, dependability, adherence to established work procedures and compliance with professional standards of conduct. In turn, volunteers are assigned very meaningful and important work. You will find the volunteer experience very rewarding.

The questions in this application are asked for the purpose of preliminarily assessing your qualifications to be a CASA volunteer. The volunteer application contains much of the material included in paid staff applications, but with some differences. Court Appointed Special Advocate is an at-will position. The information requested in the background section will provide a basis for evaluating your qualifications as a volunteer, while the information included in the Criminal Record/Treatment History Section is essential to determine final approval of your application.

While the information is requested, the Criminal Record Section is not an automatic barrier to final acceptance; it will be assessed and discussed with you regarding its relevance to your work as a CASA volunteer. The information is requested to expedite the application process. If you have any questions about completing the Criminal Record Section before learning if you will be accepted as a CASA volunteer, please contact the director of the CASA program.

#### INFORMATION DISCLOSURE

As an applicant, your name, job history, education, training, and work availability are public information. All other information will remain private. As a volunteer, your name, job title, job description, dates of volunteering, work location, work telephone number, and time sheets can be made public. All data about you remains private and will not be shared without your written permission. The program will reject any applicant found to have been convicted of, or having charges pending for a felony, or misdemeanor involving sex offense, child abuse or neglect, or related acts that would pose risks to children or the CASA program's credibility.
